

16.

17. SECTION III/2 - CHICOM - PLANE DOWNED

Nanning, 5 Oct - A group of four fighter planes of U.S. imperialism intruded into China's airspace over Kwangsi at 1223 hours today to carry out military provocations. The PLA air force took off to meet the challenge and shot down one U.S. plane. Realizing the unfavorable situation, the rest of the planes fled helter-skelter.

17. SECTION III/2 - CHICOM - CHINESE ATTACK BY U.S. AIRCRAFT

Peking CIA Domestic Service on 5 October announces that U.S. planes "in the past few days" have attacked Chinese fishing boats in CPR waters in the South China Sea. Peking lodges a "vehement protest" at these acts and demands that they cease immediately or the U.S. Government will be "held responsible".
